

ADDENDUM TO THE AGENDA FOR THE ANNUAL GENERAL MEETING OF NDCXL ON 10 APRIL, 2019

PROPOSAL #10

Proposer: Helen Dussek

Proposal: Reduce the Under 23 entry fee from £16 to £11. (amend NDCXL Rules - Appendix C (Race Structure))

Rationale: Most U23 (18 to 23 year olds) riders are on low incomes. Generally they are in full time education or entry level jobs. During the 2018/19 season only six U23 riders (two women and four men) competed in six or more rounds of the League. A reduced entry fee may encourage more riders from this category to race or make it more affordable for them to race more frequently.

Proposed amendment:

The proposal is to reduce the U23 entry fee from £16 to £11. If agreed the NDCXL Rules - Appendix C (Race Structure) will require amendment to reflect the change.
