# NOTTS & DERBY

## CYCLO-CROSS LEAGUE

Already updated, ready to be shared

1) Suggestion is to trial on the day entry - thoughts? who can lead? (linked to entry cost and prize suggestions below)

Agree to trial, cash only unless the organiser has access to a payment device, first come first served.

Nick to talk to Smart Timing if they can cope with on the day entries.

2) Ensure committee is aware that we will not require League affiliation in future.

Can the Results team process handle this? Rob to ask Simon S and others

5) Suggestion that it is made clear that NDCXL will underwrite events so that organisers are not left out of pocket especially those without club backing

Rob to contact Toby cc Tony re Unstone

14) Discuss proposed 24/25 calendar – note revised EM champs date - see below

6) Put forward a new event date with a request for volunteers to organise it

**Christine** to contact John H re Empella hosting a race

**Bruce** to organise comms update and request one or two new organisers and support teams

**Rob** to ask Richard S to send Facebook admin to Bruce

**Suggestion is to create a sub-group to investigate and action the following:**

7) Re-assess First Aid providers - see notes below

**FUTURE Discuss next time**

8) Review League financial model (levies) to be reviewed for 25/6 season.- see BC costings below

**FUTURE Discuss next time**

## CYCLO-CROSS LEAGUE

9) Discuss Prizes at next Committee meeting (linked to on the day entries - on the day entries do not go towards prizes) - **leave as is for now**

10) Discuss entry prices further (linked to on the day entries) - suggestion is we trial on the day entries too but at a slightly higher price

All advance prices do not include the BC admin charge

The default position is the only pre-entries are gridded

| Category   | 23/24 price | 24/25 price in advance | 24/25 price on the day entry |
|------------|-------------|------------------------|------------------------------|
| U10/12     | £2.50       | £5                     | £8                           |
| Youth      | £8          | £10                    | £15                          |
| Juniors    | £12         | £12                    | £15                          |
| All others | £16         | £16                    | £20                          |

Justification is that the U10/12/14/16 categories were not covering costs.

11) Share a breakdown of costs with any price changes (assuming there are any)

FUTURE Discuss next time

12) Discuss finding a photographer, possibly Man Down Media

**Bruce** to investigate using a budding photographer for \*all\* races but to also contact Mick Bown

Review relevance of team prizes and Harry Gould Participation Award.

3) Suggestion is to trial moving Vet40s to Senior to bolster that race - immediate thoughts?

FUTURE Discuss next year

#### 4) Team updates

a) Admin

b) Logistics

**Nick:** investigate ordering race numbers, cc John
