Contact them but involve Results team so the outputs are in a useful format etc

4.3 Season planning

Could we share neighbouring League rounds?

LCXL have the same race format as NDCXL

Lincs have a different race schedule

4.4 Event income

This needs to go to the AGM but warrants a separate discussion point.

Should the organising Club or Team retain some income or should it all go to the League?

Tony: we've raised entry fees and levies and there was an expectation that after the event costs then surplus would go into on the day prize money. But when the finances are more difficult then some events only just break even.

Nick's view was that organising clubs/teams can take 15-25% of the profit at the event organiser's discretion.

Nick Proposal: add something into the Constitution to make this clear but no more than 25% of profits and the organiser may waive that option.

This does not change that the NDCXL will underwrite the events providing we don't have non-viable venues.

4.5 AGM topics

Elected Officers:

Chair ?Rob?

Secretary ?Mike Cooke / Heather?

Treasurer ?Steve Oakes

Committee members:

Results Claire-Lise

Logistics Nick Chilton

Timing ?Helen Dussek? - but could be handled by Results and Secretary

Awards 2027 ?Tina Farr?

New proposals:

Encouraging volunteers

Suggested change: Amend rule 4.6 to add:

Add 4.6.3 Riders in categories U23 or above must organise, officiate or carry out a league job in order to be eligible for a final league position.

Reason: Obtaining enough volunteers for both League positions and supporting events has become more of a struggle since the affiliation rules were changed. To help resolve this issue, in order to be eligible for a final league position riders from categories U23 and above

NOTTS & DERBY

CYCLO-CROSS LEAGUE

must help at a minimum of 1 round, or carry out a league job. Such a rule exists in other leagues and could also help the NDCXL.

Regional Champs to count as a scoring round - Rob

Proposal: treat the Regional Champs like any other scoring round, i.e. allocate points as normal, not average points.

Reason: with the number of race events getting smaller then treating the Regionals like a scoring round seems like a good way of increasing the number of events. It also seems fairer and reduces the number of average points claimed.

NB This may need to change again if BC introduce larger Regionals as discussed in 2025

Remove average points for Regional Championships - Mike

Proposal: Remove rule 4.7

Reason: The award of average points for the regional championships distorts the NDCXL league standings to an excessive extent when there are only 6 or 7 rounds. Also, as there is no league affiliation anymore, it would make sense for the regional championships to be treated as a normal NDCXL round when it is designated as one.

League competition prize rules - Mike

Proposal: Amend rule 5.1 to read:

“To be eligible for a league prize, a rider must have raced a minimum of 4 point scoring rounds.”

Reason: Currently riders can use the regional championship as 1 of the 4 rounds required to be eligible for a league prize. People should be encouraged to ride more NDCXL rounds by removing this.

League competition prizes - Mike

Proposal: Remove rules 5.3 and 5.4 and 5.6.3 and replace with:

“Permanent trophies or medals will be awarded at the discretion of the NDCXL committee based on league finances.

Reason: Currently the league positions that require award of a permanent trophy (along with engraving of the perpetual trophy) are mandated by the league rules. Given the increased costs of engraving/purchasing trophies this requirement should be revised and to be at the discretion of the NDCXL committee (on a cost basis)

Proposals from January:

New voting rights - Nick to propose

Check Constitution 7.9 amendments

Proposal: voting rights for those who qualified for the League (or their parent/guardian) and Organising Clubs have two votes.

NOTTS & DERBY

CYCLO-CROSS LEAGUE

Reason: Now we don't have affiliation, or any rider racing in an event is automatically affiliated, how do we decide who can vote at the AGM?

Should we go back to organising clubs only? Or give organising clubs additional votes (currently they get one extra).

Eligible rounds when low numbers of races - Rob to propose

Proposal: only drop one round if six or fewer races. This affects Rule 4.8.1

4.8.1.1 If there are 10 or more League events in The League programme, the 3 lowest scores will be disregarded.

4.8.1.2 If there are 7-9 League events in The League programme, the 2 lowest scores will be disregarded.

4.8.1.3 If there are fewer than 7 League events in The League programme, the single lowest score will be disregarded.

Reason: Currently dropping two rounds doesn't reward those attending all rounds. Especially when average points can be claimed too.

Amend the minimum riders for Trophies of low entry categories

Proposal: Allow Junior, U23 and Senior teams to be made up of only 2 counting riders (same as the Female category).

Reason: no point having trophies if we don't award them

5) Team updates

a) Admin

Spring clean of the Google Drive

b) Logistics

No change for now.

c) Officials

No update

d) Results

No further corrections

e) Communications

John: careful about spam emails; refresh over the summer; John will look at alternative hosting issues but current service is pretty good

Need to move Zoom account to Secretary in future but need to work out how to claim it back.

Heather: could we use MS Teams instead?

Not everyone has a Teams account though.

Rob: we could try Google Meet too

f) Finance

No update

6) Any other business

Nick: prize money calculator spreadsheet now ready → send to Rob and Mike

Tina: Awards presentation numbers need to be confirmed on Sunday 22nd Feb so Tina can booked with the caterers

Regionals: 6th December

Avoid Trophy weekends for racing if possible and no BC National Ranking points awarded if they do clash. Event Organisers should keep this in mind. This may be relevant if we share rounds too.

U10/12 £5 / £10

Youth £10 / £15

Juniors £13 / £18

All others £18 / £25

Review all the trophies handed out and agree what we should issue in future

From the AGM the suggestions were to stop handing out trophies for 2nd and 3rd teams for Junior and above but we already do that.

We could drop individual trophies entirely or find cheaper options.

But we could also allow Junior, U23 and Senior teams to be made up of only 2 counting riders (same as the Female category).

2024/2025 Prizes breakdown:

We went with glass trophies for 24/25 but they were the same price as the wooden trophies from the 23/24 season.

Individual trophies for individuals to keep:

CR22536G x 28 @ £9.50 each → £266.00

CR22536D x 27 @ £6.50 each → £175.50

CR22536B x 41 @ £6 each → £246.00

Individuals 1st to 3rd (if enough counting rounds) received a prize

Team members 1st to 3rd received a trophy up to and including Youth U16

For the older categories the smaller trophies were also used for the adult 1st place team prizes and 2nd and 3rd place teams did not receive anything

Perpetual trophies to be engraved:

13 Trophies Engraved with round base @ £12 each → £156.00

12 Trophies Engraved with flat plates @ £7 each → £84.00

Medals from existing stock - *we still have 200+ left!*

Ever Present Medals Engraved x 55 @ £2 each → £110.00

4th to 10th Medals Engraved x 28 @ £3 each → £84.00

If we want to aim for around £500 then that would be the trophy engraving, the 4th to 10th medals and the ever present medals only.

To keep the trophies as they are then that would be approximately £1,200 to be covered over the season → £150 each round for 8 rounds or £200 each round for 6 rounds

Race day medals for youth was £202

Proposal is to keep:

- Perpetual trophy engraving
- Ever present for all but no engraving
- U9s and U12s
- Youth 1-3 trophies only

ACTION: Rob to follow up on wooden medals
